

## IEEE AUTOTESTCON 2016 Ancillary Meeting Room Request

IEEE AUTOTESTCON 2016 will accommodate your company or organization's "ancillary" or associated meetings at the Disneyland Hotel & Convention Center on a first-come, first-served basis, for exhibitor organizations only with some exceptions for IEEE or government meetings. Ancillary meeting rooms may not be used for product displays or demonstrations in lieu of an exhibit booth. Ample ancillary room availability is expected, but cannot be guaranteed, so reserve your rooms soon. Meeting room fees are \$250.00 per day. Arrange your own A/V & Food/Beverage service through the Point of Contact listed below. Room set-up charges are free for standard conference/meeting set-up; custom setups may incur a fee. Rooms are available from Sunday, September 11 through Thursday, September 15.

The Disneyland Hotel can accommodate breakfast meetings, after-hours meetings and private receptions, technical workshops, and other activities. Full catering menus are available from which to choose, as well as a variety of set-ups for your meeting.

Rooms may be available to accommodate up to several hundred people (a special evening reception, for example).

Please submit a separate request for each day of your planned function(s).

**Requested Day-Date:** \_\_\_\_\_ **Times:** \_\_\_\_\_
